DERMSTORE SPA

Located in Hermosa Beach, California, DermStore is a sanctuary for your skin. With the help of doctors and experts, we’ve curated a collection of professional strength skin solutions designed to improve your complexion and enhance your natural beauty.

Like our trusted website, DermStore SPA is stocked with bestselling, dermatologist recommended products designed to enhance your natural beauty. Take advantage of our many salon services or indulge yourself with one of our luxurious spa treatments. From facials to make-overs, we use the highest quality skin care brands including Decleor, Eminence, Phytomer, YonKa, Dermalogica, Guinot, Darphin and SOTHYS.

Our estheticians have been trained in both skin analysis and on the ingredients in each of our products so that they can make informed recommendations that will have long-lasting benefits. The massage techniques, products used and methods are unique to each facial because we know that each customer is unique, so we take the time to create a custom treatment for your specific needs.

Whether your concern, be it skin, hair or body, DermStore can help. We’re committed to making you healthy, happy and radiant from head to toe.
SIGNATURE TREATMENTS

**Guinot Liftosome**
Pro-Collagen visibly transforms the skin from within to firm, lift and add renewed radiance. The active ingredients penetrate the skin in-depth with the use of the firming, thermal self-heating mask.

60 minutes $85

**Phytomer Seaside Solutions**
All the skin-specific elements of a traditional European facial and so much more! A highly concentrated marine mask—custom-selected to meet the needs of your complexion—targets the skin’s core functions.
The result? An unmistakably youthful radiance.

60 minutes $80

**YonKa Alpha Vital**
With one of these targeted treatments you’ll notice smoother, more youthful-looking skin. With a series of 4, you’ll experience a dramatic transformation, noticeably improving the visible signs of aging. Controlled fruit acids work to gently and effectively regenerate the skin, encouraging cellular renewal and diminishing the look of breakouts, pigmentation, wrinkles and lines.

75 minutes $100

**Guinot Age Summum**
This manual, active treatment will have your skin glowing, hydrated and firm in just an hour. Dermabrasion, pure Vitamin C, Pro-Collagen and the exclusive Guinot complex of 56 actives will give you the maximum results for anti-aging, brightening and an even complexion.

90 minutes $165

**Dermalogica The Face Treatment**
A completely personalized experience, this treatment begins with a thorough double cleansing and includes exfoliation and extractions, plus a custom-selected masque, toner and moisturizer. Galvanic current works to diminish the visible signs of aging, while a hand, arm and shoulder massage promotes intense relaxation.

60 minutes $105

**Sothys Hydradvance Hydrating Facial**
Indulge in this exceptional facial treatment for immediate hydration and impressive long-lasting results! First, a soft creamy tapioca exfoliating scrub is used to remove impurities and restore suppleness. A comforting mask with hyaluronic nectar is then applied, followed by a unique pressure point massage to plump the skin and provide ultimate relaxation. Your skin will feel instantly refreshed, revitalized, soft and supple.

60 minutes $95

ADD ONS

Any add on can be made into a full treatment, ask one of our estheticians for details.

**Deep Extractions**
Additional in-depth pore extractions, ideal for de-clogging problematic or acneic skin.

15 minutes $25

**Decleor Vitality Eyes**
An intensive eye treatment that melts away tension, reduces puffiness and dark circles, and eliminates the signs of fatigue.

15 minutes $15

**Eminence Plump it Up! Lip Treatment**
Your lips deserve the same delicate attention you give your face, which is where this luxurious treatment comes in! Following cleansing and exfoliation, a plumping mask and a citrus balm are applied, leaving your pout pillowy, hydrated and youthful.

15 minutes $15

**Sothys Microdermabrasion**
A mini peel in which all or part of the outer layer of the epidermis is removed. This procedure removes dead or peeling skin by light abrasion, used to improve the appearance of sun damaged skin, treat hyperpigmentation, age spots, fine lines, and reduce the appearance of scars.

30 minutes $50

**Deep Extractions**
Additional in-depth pore extractions, ideal for de-clogging problematic or acneic skin.

MAKEUP

Got a hot date or an important event? Let us help you look your very best. Schedule a custom makeup application with one of our trained professionals.

• CUSTOMARY MAKEUP
  A blend of liquid foundation, concealer and pressed powder that is usually applied with a sponge, brush or finger tips. Customary makeup comes in many shades and blends to create the perfect color match for your skin.
  30-45 minutes $35

• AIRBRUSH MAKEUP
  A lightweight makeup applied through an air gun machine that creates a fine mist of color to cover the skin in a thin, even layer of flawless makeup. The fine mist helps your true skin tone show through to deliver a natural-looking finish.
  30-45 minutes $55

• CRY BABY SEMI-PERMANENT MASCARA
  This procedure curls and coats lashes with our proprietary lash coating. This coating adds volume, length, curls and color to lashes, is 100% waterproof and smear-proof and lasts two weeks, often longer. It’s ideal for active lifestyles as well as special events like weddings and vacations.
  45 minutes $55

• EYELASH EXTENSIONS
