Signature Face Treatments

Beaute Neuve 45-60 Minutes (\$80) Series of 3 (\$210)
Fruit acid enzymes eliminate dead skin cells and impurities. Skin is renewed with radiance. Ideal for all skin types, especially pigmented skin. Guinot products.

Liftosome 60 Minutes (\$90) Series of 2 (\$170)
Triple action rejuvenation treatment features a vitamin-rich serum, a warming mask and a stimulating massage to counteract skin fatigue, stress and aging. Guinot products.

Glycolic Peel* 30-45 Minutes (\$50) Series of 6 (\$250)
Minimizes the appearance of fine lines and wrinkles, lightens hyperpigmentation, and reduces and controls acne and its symptoms with 30% glycolic acid. Series of 6 done every other week provides optimal results. Biomedic products. *Note: A pre-peel consultation is required.

RS2 Treatment 50-70 Minutes (\$60) Series of 10 (\$500)
Comforting and calming for rosacea skin. Provides soothing relief and visible results to dilated capillaries, congestion, blotchiness and irritability. Pevonia Botanica products.

Timeless Myoxy Caviar Treatment 70-80 Minutes (\$100)
Pure Caviar provides the most advanced defense against aging. Pearl extract and phytoextracts improve elasticity, skin oxygenation and suppleness. Visibly reduces fine lines and wrinkles. Ideal for mature skin. Pevonia Botanica products.

Le Grand Classique 70-80 Minutes (\$65) Series of 6 (\$340)
Combines a relaxing experience with deep pore cleansing for skin restoration. A customizable five essential oil blend in a Dr. Lucas spray decongests and promotes an even complexion. Yonka products.

Alpha Vital 50-70 Minutes (\$50) Series of 4 (\$180)
A deep resurfacing treatment with Alpha and Beta Hydroxy Acids. Controlled fruit acids penetrate the epidermis to reduce fine lines and wrinkles. Leaves a brighter complexion and softer, smoother skin. Ideal for all skin types, especially mature or congested skin. Yonka products.

Spa Prestige OgenAge Facial 60-90 Minutes (\$90)
This deeply relaxing treatment includes a back massage, three luxurious masks and highly concentrated active ingredients. Restores vitality and tones the skin. Ideal for mature or dehydrated skin. Phytomer products.

Sea Essential Moisturizing Treatment 60 Minutes (\$75)
Balances and restores water levels in all skin types. Includes a back massage, a detoxifying self-heating mud placed along the spine, a gommage exfoliant and a relaxing mask.

20% Yam & Pumpkin Enzyme Peel 40 Minutes (\$50) Series of 4 (\$180)
Yam and pumpkin enzymes digest dead skin cells and boost collagen production. Exfoliation eases signs of sun damage and aging for glowing skin. Excellent for all skin types, even sensitive skin. Eminence products.

Medicated Clearing Treatment 60 Minutes (\$50)
Targets current acne blemishes and preventing future breakouts. Purifies the skin by deep cleansing, followed with extractions and a decongesting mask. Ideal for acneic and oily skin. Best if done in series of 4-6 every 3 weeks. Dermalogica products.

Men's Skin Care Treatment 45 Minutes (\$40)
Includes deep pore cleansing, smoothing and resurfacing exfoliation and extractions followed with a relaxing massage treatment and a mask. Dermalogica products.

Alpha Beta Face Peel 40 Minutes (\$50) Series of 6 (\$250)
Diminishes signs of aging, stimulates collagen, visibly reduces pore size and helps prevent and eliminate breakouts. Improves texture and clarity of the face, neck and chest, leaving the skin glowing and radiant. MD Skincare products.

Ylang Ylang Purifying Treatment 60-80 Minutes (\$70)
Utilizes pure essential oils specially formulated to treat acne-prone skin. Leaves the skin pure, clear and matte. Ideal for oily, combination and acneic skins. Decleor products.

Soothing Skin Treatment 60-80 Minutes (\$70)
Essential oil of rose calms and soothes the inner layers of the skin. Customizable treatment reduces redness and inflammation in even the most sensitive skins. Ideal for sensitive skin. Decleor products.

Massage Therapy
Massage therapy is a wonderful way to ease tension and stress. By combining techniques, oil and lotions that soothe the muscles you'll pamper yourself while addressing any areas of concern. We feature ZENTS signature products creating a custom fragrance blend in our oils and lotions. We provide body cushion during your treatment for an individual support system that is especially ideal for massages during pregnancy.
